1. Purpose

The purpose of this document is to establish standardized guidelines for creating, reviewing, approving, and monitoring budgets at Aegis Bank.

These guidelines ensure:

- Effective financial planning.
- Responsible resource allocation.
- Controlled spending.
- Business growth support.
- Financial transparency.

---

2. Scope

These guidelines apply to:

- All Aegis Bank departments.
- Finance Department.
- Department Managers.
- Executive Management.

It covers:

- Annual budgets.
- Department budgets.
- Project budgets.
- Technology investments.
- Operational expenses.

---

3. Budget Management Principles

Aegis Bank follows these principles:

Strategic Alignment

Budgets must support business goals.

Financial Control

Spending must remain within approved limits.

Transparency

All budget decisions must be documented.

Accountability

Department owners are responsible for budget usage.

Continuous Review

Budgets are monitored throughout the year.

---

4. Budget Categories

Aegis Bank budgets are divided into:

Operational Budget

Used for daily business activities.

Examples:

- Office operations.
- Employee services.
- Business support.

Technology Budget

Used for technology investments.

Examples:

- Cloud infrastructure.
- AI systems.
- Cybersecurity tools.
- Software licenses.

Capital Budget

Used for long-term investments.

Examples:

- Banking infrastructure.
- Hardware.
- Major technology projects.

Employee Budget

Includes:

- Salaries.
- Training.
- Benefits.
- Recruitment costs.

---

5. Annual Budget Planning Process

Annual planning workflow:

Business Goals Defined

↓

Department Budget Requests

↓

Finance Analysis

↓

Budget Review

↓

Executive Approval

↓

Budget Allocation

Budget planning considers:

- Previous spending.
- Future requirements.
- Business growth.
- Risk factors.
- Market conditions.

---

6. Department Budget Request Process

Each department must submit:

- Budget requirements.
- Business justification.
- Estimated costs.
- Expected benefits.
- Timeline.

Department manager responsibilities:

- Validate requirements.
- Prioritize expenses.
- Ensure efficient spending.

---

7. Budget Approval Workflow

Budget approval process:

Department Submission

↓

Finance Review

↓

Cost Analysis

↓

Management Evaluation

↓

CEO Approval

↓

Budget Release

Finance reviews:

- Accuracy.
- Business value.
- Cost efficiency.
- Available resources.

---

8. Approval Authority Matrix

Budget Amount	Approval Required
Up to $10,000	Department Head
$10,001 - $100,000	Finance Director
$100,001 - $500,000	Executive Committee
Above $500,000	CEO Approval

---

9. Budget Monitoring Process

Finance continuously monitors:

- Actual spending.
- Remaining budget.
- Department performance.
- Cost variations.

Monitoring helps identify:

- Overspending.
- Underutilization.

- Financial risks.

---

10. Budget Change Management

Budget changes require approval when:

- Expenses exceed limits.
- New projects are introduced.
- Business priorities change.

Change workflow:

Budget Change Request

↓

Impact Analysis

↓

Finance Review

↓

Management Approval

↓

Budget Update

---

11. AI-Assisted Financial Planning

Aegis AI OS supports financial teams.

AI can assist with:

- Spending analysis.
- Budget forecasting.
- Cost prediction.
- Financial trend detection.

AI Workflow:

Financial Data

↓

AI Analysis

↓

Forecast Generation

↓

Risk Identification

↓

Finance Review

↓

Decision Making

AI does not approve budgets independently.

---

12. Cost Control Measures

Aegis Bank controls expenses through:

- Approval workflows.
- Spending limits.
- Vendor evaluation.
- Regular audits.
- Budget monitoring.

Cost optimization areas:

- Cloud usage.
- Software licenses.
- Operational expenses.
- Vendor contracts.

---

13. Budget Reporting

Finance prepares reports including:

- Budget utilization.
- Department spending.

- Forecast accuracy.
- Cost performance.

Reports are reviewed by:

- Department Managers.
- Finance Leadership.
- Executive Management.

---

14. Practical Examples

Example 1 — AI Platform Investment

AI department requests additional computing resources.

Process:

1. Requirement submitted.
2. Cost evaluated.
3. Business value reviewed.
4. Budget approved.

Example 2 — Department Overspending

Finance detects higher spending than planned.

Process:

1. Spending analyzed.
2. Department contacted.
3. Corrective action planned.
4. Budget adjusted if required.

Example 3 — New Security Project

Security team requires cybersecurity upgrade.

Process:

1. Project proposal submitted.
2. Risk reduction evaluated.
3. Budget reviewed.
4. Executive approval obtained.

---

15. Frequently Asked Questions (FAQs)

Q1. Why does Aegis Bank use budget approval guidelines?

To ensure responsible financial management.

Q2. Who approves large investments?

Large investments require executive and CEO approval.

Q3. Can departments modify budgets themselves?

No. Budget changes require proper approval.

Q4. How does AI help budgeting?

AI assists forecasting and financial analysis.

Q5. How often are budgets reviewed?

Budgets are monitored regularly throughout the financial year.
